1 ABOUT MINERAL FIBER SOLUTIONS

Mineral Fiber Solutions specialises in the production and supply of products for the passive fire protection and building insulation sector. From the start of our activities, **Mineral Fiber Solutions** has revolved around a policy of continuous improvement. That is why the company has made significant efforts and investment in research, development and innovation, collaborating with the main certification bodies and laboratories.

Through **Mineral Fiber Solutions** we offer you a wide range of products and services, ranging from products for fire protection, thermal insulation, sound insulation, spare parts and machinery accessories to services such as technical support, after-sales service, etc.

One of the defining elements of Mineral Fiber Solutions organisational approach is group work to optimise the benefits provided to customers

Customers have access to technical staff, trained by technicians and engineers, to provide solutions for any area in which **Mineral Fiber Solutions** has the requisite specialisation.

→ PASSIVE FIRE PROTECTION

Mineral Fiber Solutions supplies the following products for the protection of construction elements against fire damage:

PERLIWOOL®

PERLIWOOL® is a new concept in rock wool-based lightweight mortars. Its innovative formula affords it excellent mechanical, heat-resistant and acoustic qualities, making it especially suited for use as passive fire protection, in addition to sound absorption and insulation as well as having outstanding thermal insulation properties.

Reference	500025-01-005	500025-01-024
Description	PERLIWOOL® (COLOUR WHITE)	PERLIWOOL® G (COLOUR GREY)
Price (€/kg)	1,34	1,30
Packaging	25 kg paper bags	25 kg paper bags
Bags/pallets	24	24
Kg/pallets	600	600
Pallets/truck	40	40
Kg/truck	24.000	24.000
Minimum quantity (pallets)	1	1
Service type	1	2

**REUSABLE AND 100%
RECYCLABLE**

**SUITABLE FOR CONTROLLING SURFACE
WATER CONDENSATION**

- Density: 300 kg/m³.
- Reaction to fire rating: A1
- λ : 0.078 W/mhk
- Sound absorption:
 - 15 mm: α_w : 0.60 (H) Class C
 - 30 mm: α_w : 0.80 (H) Class B
 - 50 mm: α_w : 1.00 (H) Class A
- Fire resistance type-approved for metal, concrete, timber and combined structures, EI60, EI90 and EI120 firebreaks and EI180 vertical partitions.

→ INSULATION IN CONSTRUCTION AND INDUSTRY

Mineral Fiber Solutions supplies the following products for thermal insulation in construction:

PERLIWOOL® TERMIC

PERLIWOOL® TERMIC is a new concept in rock wool-based light mortars. Its innovative formula affords it excellent mechanical, heat-resistant and acoustic qualities, making it especially suited for use as thermal insulation, in addition to being a non-combustible product with no contribution to fire.

Reference	500025-00-031	500025-01-025
Description	PERLIWOOL® TERMIC (COLOUR WHITE)	PERLIWOOL® G TERMIC (COLOUR GREY)
Price (€/kg)	1,42	1,38
Packaging	20 kg paper bags	20 kg paper bags
Bags/pallets	30	30
Kg/pallets	600	600
Pallets/truck	40	40
Kg/truck	24.000	24.000
Minimum quantity (pallets)	1	1
Service type	2	2

REUSABLE AND 100% RECYCLABLE

SUITABLE FOR CONTROLLING SURFACE WATER CONDENSATION

- Density: 150 kg/m³.
- Reaction to fire rating: A1
- λ : 0.050 W/mhk
- Sound absorption: 30 mm: α_w : 0.75 (H) Class C
50 mm: α_w : 1.00 (H) Class A

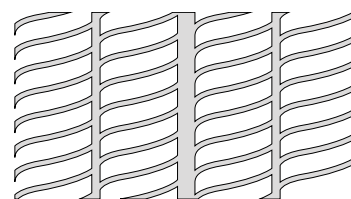

→ PRODUCTS COMPATIBLE WITH MORTARS

Mineral Fiber Solutions supplies a series of complementary products to make application easier and improve the finish of mortars applied via a dry process.

BONDING BRIDGES

Bonding bridges are used to improve the adhesion of **PERLIWOOL®** mortars. Mineral Fiber Solutions supplies a specific range of products to suit all mortar application conditions.

Reference	500024-00-001
Description	RIBBED PLATE 0.30 mm thickness
Price (€/m ²)	5,92
Packaging	30 m ² packs
Packs/pallets	20 packs
m ² /pallets	600 m ²
Pallets/truck	30
m ² /truck	18.000
Minimum quantity	1 pack
Service type	2

Reference	500024-00-009
Description	FIX LIQUID
Price (€/kg)	10.20
Packaging	25 Kg container
Units/Pallets	32 containers
Kg/pallets	800
Pallets/truck	20
Kg/truck	16.000
Minimum quantity	1 container
Service type	2

FINISHING PRODUCTS

One of the advantages offered by **Mineral Fiber Solutions** mortars is that they are compatible with an extensive range of finishing products, either individually or in combination with other products. **Mineral Fiber Solutions** offers the following complementary products for improving the appearance of mortars applied via dry process.

Reference	500024-00-008
Description	END LIQUID
Price (€/l)	2.84
Packaging	25 liters container (≈ 30 kg)
Units/Pallets	32 containers
Liters/pallets	800 (≈960 kg)
Pallets/truck	20
Kg/truck	19.200
Minimum quantity	1 container
Service type	2

→ EQUIPMENT ACCESSORIES

Accessorise your application equipment with the following accessories:

SPRAY NOZZLES

Spray nozzles ensure an even spray distribution, soaking the sprayed product proportionately.

Reference	Description	Price (€/Unit)	Service type
600315-00-000	SPRAYING NOZZLE WITH ø 50 mm EXTERNAL RING	324	1
600316-00-000	SPRAYING NOZZLE WITH ø 60 mm EXTERNAL RING	324	1
600302-00-000	SPRAYING NOZZLE WITH ø 50 mm TAPER POINT	295	1
600303-00-000	SPRAYING NOZZLE WITH ø 60 mm TAPER POINT	295	1
500005-00-001	SET OF YELLOW NOZZLES (6 UNITS)	59	1
500005-00-002	SET OF BLUE NOZZLES (6 UNITS)	59	1
C-000007	SET OF TAPER POINTS (2 UNITS)	47	1
600321-00-000	DEPTH GAUGE	35	1

PU AIR HOSES

Heavy-duty polyurethane hose with rigid PVC spiral. Suitable for suction and spraying of abrasive products. Anti-static version available.

Reference	Description	Price (€/Unit)	Service type
600403-00-000	PU HOSE REEL 60 mm DIAMETER (30 m)	558.90	1
600404-00-000	PU HOSE REEL 50 mm DIAMETER (30 m)	349.50	1
600407-00-000	60 mm DIAMETER PU ANTI-STATIC HOSE REEL (30 m length)	715	1
600406-00-000	50 mm DIAMETER PU ANTI-STATIC HOSE REEL (30 m length)	455	1

→ GENERAL PRICING TERMS

Not inclusive of VAT, other taxes or customs duties.

Price of the material used in our warehouses or production facility.

Prices included in this document are subject to change without prior notification.

Types of Service

1. Product is readily available with no minimum production quantity.
2. Product not available as stock, with no minimum production quantity.
 - The type of service refers to the availability in stores, not including the procurement lead time.
 - It is recommended to refer to shipping times.

Additional services:

- Free-of-charge services:
 - Technical assessment.
 - Issuing and personalisation of manufacture certificates and information documentation.
 - Catalogues and price lists in electronic format.
- Services with additional costs:
 - Transport for incomplete truck load orders. Request a price.
 - Special transport. The additional cost for said transport shall be applied.
 - Change or cancellation of orders for products of service type 2: They may only be cancelled or modified with the express acceptance of Mineral Fiber Solutions during a prior period of 7 business days before loading. In the event of cancellation, and if the material has already been manufactured, the cancellation will be accepted in the event that the client accepts to bear the cost of the material, as well as its destruction and the subsequent cost of recycling, where applicable.
